NEW YORK---WASHINGTON---PARIS

Continuation of August Sale of Furs.

Not one person in a hundred knows Furs, and there is no other article of merchandise sold in which one can be so easily deceived. The natural consequence is, people have to take for granted what their dealers tell them. They buy upon faith and not upon knowledge; therefore, in purchasing Furs, know your dealer—know that you can depend upon him—place perfect confidence in what he says.

Truthfulness has been one of the great factors in the rapid growth of this immense business of ours; and in advertising merchandise we tell only what are facts. When we say that the Furs in this sale are of the highest grades and strictly perfect; that every piece was made up this season to our special order in the very latest style, and that two months hence you will have to pay from a fourth to a third more for these same Furs, we are telling what is absolutely true, and our broad guarantee—"Perfect Satisfaction or Money Refunded"—stands back of it.

Furs purchased during this August sale will be stored until cold weather free of charge, thus relieving you of all worry and trouble; besides, on the receipt of a small deposit we will reserve any piece in stock until wanted. Balance can be paid at any time before delivery.

FORT QUARANTINED.

For the first time in the history of the post Fort Washington, on the Potomac river, about six miles south of Alexandria, is under quarantine, as far as the Forty-fourth Company of Coast Artillery is concerned, because Private Slusher, of that company, has developed a case of scarlet fever. Slusher contracted the disease while on a visit to Washington.

CHARTER.

A charter was issued Saturday by the State Corporation Commission to the Grand United Effort of America, Principal office, Alexandria, Incorporated; Edmund Hill, jr., president; S. S. Johnson, vice-president; T. M. Watson, secretary—all colored and of Alexandria. The charter declares that the purposes of the "effort" are to create a "fraternal beneficiary association," and the capital stock is nil. There is nothing to indicate that the concern will extend to all parts of America, but the name is a high sounding one. There being no capital stock and no money in sight, there is no treasurer.

STORE ROBBERED.

A thief entered the store of the M. Schuler Beer Company, on King street, near Patrick, on Saturday night, and stole a ham, a pound of bacon, a pound of tea, a sack of flour, a small tin of lard, a small tin of apple butter, and a box of cigars. Chief Goods and Officer Arrington found all of the stolen property, with the exception of the ham, in a basket in a house in north Henry street.

Rev. Francis J. Clay Moran, formerly archdeacon of the Episcopal Diocese of Maryland, died Friday night at West Hampton Beach. L. L. Archdeacon Moran was an Englishman and had lived in America for about 80 years.

THE CITY JAIL.

The Board of Aldermen met tonight to pass the \$10,000 act for jail improvements. A reference to the resolution carrying the above sum shows that this matter has been pending many years.

The judge of the Corporation Court had called attention to the condition of the jail and the City Council has been anxious to make the improvement now in a way to be carried out. The finance committee has been at all times desirous to recommend an appropriation—not of \$20,000 or \$30,000 to be used to remodel or rebuild a jail—but to make an appropriation sufficient to make the jail safe, sanitary and modern. Even the sum of \$10,000 now recommended could not be set apart prior to this time, as streets and sewers were urged by members of Council.

The school board ordered and had erected a new school building for which the city had to set apart \$20,000. This sum had been augmented by the thousands for additions and improvements. The market building, however, and engine houses have also not been neglected, and of course required money for the improvements. The tax laws, license laws, and other methods for raising revenue evidenced that the money to be raised from such sources was practically spent in the appropriations for the year. The City Council has already appropriated \$5,000 or \$6,000 for extras, yet the finance committee in discussing the matters with the proper officers of the city deemed it wise to not longer delay the jail improvement, and so recommended the work to be done and the appropriation made. Of course these additional appropriations will have to be cared for in the way of a temporary loan next February or March. As desirable as these improvements may be, it should be the aim of municipalities to live within their means—yet in recommending this appropriation the finance committee has the endorsement of the citizens and taxpayers.

The National Regatta held on the Potomac, at Washington, closed on Saturday. The following were the winners on the closing day.

FINE FOR GAMBLING.

A young man, who says he hails from Prince William county, came to this city a few days ago and made the acquaintance of a young man living in the western section of the city. On Saturday evening they engaged in a game of poker in the unoccupied house on the corner of Wolfe and Henry streets and were later arrested by Officers Gill, Roland and Arrington. The prisoners were brought before the Police Court this morning when the man from Prince William stated that he was invited to enter into the game by the Alexandrian; that the latter, after the game had progressed for a short time, picked up a ten-dollar bill belonging to the stranger, went to a saloon, had it changed and returned but five dollars. The stranger asserted that the Alexandrian cursed and threatened him when he demanded the return of his money. Justice Cato fined the Alexandrian \$10 and dismissed the Prince William man.

PANTOMIMIC PROCEEDINGS.

Among the prisoners in the dock of the Police Court this morning was Ferdinand Patton, a well-known pugilist of that tribunal. He had been taken in charge by Officer Garvey on the chronic charge of vagrancy. Patton is deaf and dumb, and he, as usual, made his statement to the Police Court on his fingers. Justice Cato used his fingers to tell the prisoner know that he would be an inmate of the workhouse during the next sixty days.

THE HOLY NAME SOCIETY.

Special services were held in St. Mary's Church last night under the auspices of the Holy Name Society. Practically all the members of the branch were present with many of their friends. An able discourse on the object and methods of the Holy Name Society was delivered by Rev. F. Hasenfuss, O. P., of Washington, followed by benediction of the blessed sacrament. Arrangements were started to take part in the Holy Name parade in Washington next October.

A MURDER RECALLED.

Forty years ago last Thursday night William Lyles, an old and well-known farmer of the local Piscataway district, Maryland, was murdered by several Alexandrian negroes and the house robbed. Three days later Chief Webster, of the police force, arrested Bill Plater, one of the murderers, and later he had all save one (who has never been heard of since the murder) in jail. The negroes were later taken to Upper Marlboro, tried and hanged.

SUPPOSED MAD DOG.

A dog, supposed to be suffering from hydrophobia, was killed on north Pitt street, yesterday. The large number of vagrant dogs seen on the streets at present is not only an annoyance to many people, but causes anxiety to others. There has of late been much talk about sending out the dog wagon, but so far as can be learned, no preparations toward that end are in progress. The number of unlicensed canines is said to be increasing all the time, and it is probable no steps will be taken toward abating a dangerous nuisance until several persons shall have been bitten by mad dogs.

The funeral of the late Walter D. Trimyer, who died Friday afternoon at the home of his father, Mr. John H. Trimyer, near Braddock Heights, took place from the Methodist Protestant Church yesterday afternoon. Rev. J. M. Holmes officiated, and the pallbearers were Messrs. Samuel W. Pitts, Kenneth W. Ogden, James S. Smythe, Wallace Lindsey, Edgar Wartfield, jr., and Russell Woolf. The interment was in Bethel Cemetery.

The funeral of the late Frank W. Butts took place from the residence, 424 north Columbus street, yesterday afternoon. Rev. J. D. Gibson, of the Episcopal Theological Seminary of Virginia, officiated, and Alexandria Council, No. 5, Fraternal Order of Americans, of which Mr. Butts was a member, attended in a body. The interment was in the Methodist Protestant Cemetery.

The funeral of the late John Reed Cross, who died Friday night last at the Alexandria Hospital, took place this morning from W. Demaine & Son's undertaking chapel. The interment was in the Methodist Protestant Cemetery. The services were conducted by Rev. W. F. Watson, and the pallbearers were Messrs. M. R. Norris, Ernest R. Boyer, M. D. Boyer and Bernard Brown.

EXCITEMENT ON LOWER PRINCESS STREET

Some excitement was caused on Princess street near Union yesterday afternoon by a row which took place between James Self, Albert Harrison, Lacey Drake and Walter Weaver. Officers Sampson and Schout arrested the quarrelsome and they were placed in the dock of the Police Court this morning. The evidence was to the effect that Harrison, who was helplessly drunk, was attacked by Self, and that Weaver and Drake, who were passing at the time, interfered and terminated the assault. Self became incensed at the peacekeepers and abused one of them and was knocked down. He later reappeared, armed with a table leg, and attempted to use it on the two men when he was knocked down and dismissed. Self was fined \$10 for assault and Harrison \$5 for being drunk in the street. Drake and Weaver were dismissed.

POLICE COURT.

[Justice H. B. Cato presiding.]

The following cases were disposed of this morning:

Ferdinand Patton, charged with vagrancy, was sent to the workhouse for 60 days.

John Bryant and Dolly Jenkins, both colored, charged with fighting, were fined \$5 each.

Jennie Payne, colored, charged with disorderly conduct, was fined \$5.

James Drake and Walter Weaver, charged with disorderly conduct and fighting, were dismissed.

James Self, charged with similar offenses, was fined \$10.

Albert Harrison, charged with being drunk in the street, was fined \$10.

A white man, charged with vagrancy, was fined \$10. A red and P. Jones William, charged with a similar offense was dismissed.

FIRE AT POICK.

The residence of Mr. J. H. Claggett, near Poick Church, was totally destroyed by fire about 7:30 o'clock on Saturday night. Mr. Claggett and his family were absent when the fire was discovered by neighbors, who were unable to extinguish the flames, but who succeeded in saving the barn and other outbuildings. Only a small quantity of furniture in one room was saved, even the clothing of the family being burned. The report that a considerable sum of money had been burned was untrue. The loss on the building was \$2,000 covered by an insurance of but \$650.

A DAY OF PLEASURE.

A feast of pleasure is in store for those who go to Marshall Hall tomorrow on the third complimentary excursion given by the Elks' Dramatic Club. As an organization of entertainers this club has few equals. They spare neither money nor time in order to carry to a successful conclusion every undertaking, and their success stands preeminent.

The excursion tomorrow will be no exception to the rule, and a happy time is promised those who go. The committee has been lavish in the distribution of tickets and if any of their friends have been overlooked the fault is not theirs. It is an excursion not given for the few, but the many, and it is hoped that those who wish to go will not have any excuse—especially that of not getting a ticket.

THE CHURCHES.

Services at Christ Church yesterday were conducted by Rev. J. D. Gibson. Rev. I. M. Green occupied the pulpit at St. Paul's Church; at the M. E. Church South the services were conducted by Rev. Dr. Delaney, of Baltimore; no services were held at the Second Presbyterian Church. Resident clergy occupied the pulpits at the other churches. The congregations were by no means large, a large number of people still being out of the city.
